**POWER OF ATTORNEY BY ASSIGNEE AND  
CERTIFICATE UNDER 37 CFR 3.73(b)**

Der Jeou Chou, of ENERTRON, INC., of Phoenix, Arizona, hereby certifies that, to the best of his or her knowledge and belief, the entire right, title, and interest in the above-captioned United States design patent application is in Assignee, ENERTRON, INC.

Ownership of the above-identified design patent application is established by virtue of the following documentary evidence that has been reviewed by the undersigned:

An assignment from the inventor(s) of the design patent application identified above. A copy of the executed assignment is attached.

ENERTRON, INC., the Assignee of the entire right, title, and interest in and to the above-captioned United States design patent application and all inventions disclosed and claimed therein, hereby appoints as its attorneys to prosecute the above-captioned United States design patent application and to transact all business in the United States Patent and Trademark Office connected therewith and with the resulting design patent, individually and collectively:
